Report on Class Function – Grade 1

A program in the series of class functions – SUNSHINE was organized on the theme of 'Mythology' by grade 1 students on Monday 28/1/19. Students looked charming dressed up as Gods. A great effort was exerted by our students to make the people aware about the facts related to lives of Indian Gods. The world of mythology was showcased through Bhajans, dance, skit. At the end Coordinator Mam expressed her views on the performance of the students and thanked parents for taking their precious time out for their children. The program was appreciated and applauded by parents who were happy to see their children perform.
