SESSION 2025-26

CLASS VII

MATHEMATICS

Art integrated project (2025-26)

State- Arunachal Pradesh Art integrated learning as a pedagogical tool. It is introduced by CBSE for imbibing the Indian ethos through integration of Indian art and culture in the teaching and learning process at every level. Students engage in art activities and construct personal meaning through their learning in an art integrated environment. This project is defined under- "EK BHARAT SHRESHTHA BHARAT" Arunachal Pradesh "The land of rising sun" is situated in the north-eastern part of India, bounded by China in the north, Assam and Nagaland in the south, Myanmar in the southeast and Bhutan in the west.

- Give a brief introduction of the STATE.
 - Write a brief description on the climatic conditions and topography of Arunachal Pradesh.
- i) Month wise highest and lowest temperatures ($^{\circ}\text{C}$) for 7 months (March 2024 to September 2024)
- ii) Precipitation/ rainfall for 7 months (August 2024 to Feb 2025)
- Use the above information to prepare
- i) A double bar graph showing the highest and lowest temperatures in Arunachal Pradesh on a graph sheet. Use coloured paper strips to represent bars.

NOTE:- Do this activity in A4 size ruled sheets.
