**Pt 1(a) Worksheet**  
**Subject English**

**SECTION – A : READING SECTION**

**Read the passage given below and answer the questions based on it:**

(1) Cleanliness is an important part of our daily life. It helps us stay healthy and active. Keeping our surroundings clean, like our home, school, and streets, prevents the spread of diseases. We should always throw waste in dustbins and avoid littering. Clean water and fresh air are also necessary for a healthy life. Good hygiene habits, such as brushing teeth twice a day and taking regular baths, keep our body free from germs. Clean surroundings also make our environment look beautiful and pleasant.

(2) Many people do not take cleanliness seriously and make places dirty. This can harm both people and the environment. We should develop good habits like washing hands regularly, keeping our surroundings neat, and using resources properly. It is also our responsibility to spread awareness about cleanliness among others. We must not waste water and should avoid using too much plastic. By maintaining cleanliness, we can create a safe, healthy, and happy environment for everyone and make our Earth a better place to live.
