

CREATIVE SUMMER CAPSULE

CLASS VII – 2026-27

SKILL MODULE INTEGRATION

“Dear Students,

Vacations are for fun, laughter, and new experiences! This summer, let curiosity be your guide. Learn something new, create something beautiful, and make wonderful memories while completing your holiday homework. **HAPPY LEARNING AND HAPPY HOLIDAYS**

Create a Kathputli/ Puppet, using waste material (cloth, paper, cardboard, wool, sticks, old newspapers, etc.).

ENGLISH: Student should write:

- 1) Name of the puppet
- 2) Materials used
- 3) Steps of making Kathputli
- 4) A message that the puppet gives to society in the form of a small puppet conversation on any one these topics:
 - Save water
 - Climate change
 - Healthy lifestyle.....

HINDI: Prepare a mini puppet show (संवाद लेखन)

The presentation should carry a message related to any one of the themes mentioned in science section. Students may perform it in class after the vacations.

SCIENCE: The Puppet show should be on any one suggested theme:

- | | |
|---------------------------|---------------------------|
| 1) Pollution -free future | 3) Reduce, reuse, recycle |
| 2) Importance of trees | 4) Impact of war |

SOCIAL SCIENCE: To search the history of kathputli making and its use. To find out the states in which the art of kathputli or puppet is most commonly used. Show that state in the map of India.

MATHEMATICS: The Geometry of Kathputli/ Puppet: -

- i) Identify geometric shapes in traditional art.
- ii) Apply measurement and ratio concepts.
- iii) Calculate area and perimeter of complex figures.
- iv) Create a budget and represent data visually.

Kathputli/Puppet faces and costumes are highly symmetrical.

- i) Draw the face of a Kathputli/ puppet.
- ii) Draw all possible lines of symmetry on the face and the torso.
- iii) Does your puppet have rotational symmetry? If yes, what is the order of rotation?

SANSKRIT: भगवत गीता - अध्याय 12 के शुरु के पांच श्लोक कंठस्थ करें और A4 साइज शीट पर साफ लेख में लखें ।

FRENCH: Draw and write 5 lines about one French festival on an A3 sheet. Learn it for presentation.

GERMAN: Draw and write 5 lines about German festival on A3 sheet and learn it for the German presentation. Write the meaning of puppet in German as well.

COMPUTER: Create flashcard in adobe express application and use your own login id password given in class group. Choose topics from the bracket (computer hardware, domains of AI, dataset input & output device and arduino).
