

COMMUNICABLE DISEASE

Modern School, Vaishali under U.P. Government's Communicable Disease Control Programme started with a month long activity on 11th July' 2019 with a pledge taking ceremony. In which the students and teachers took a pledge that they will remain committed towards cleanliness of their surroundings and they will initiate the quest for cleanliness with their family and locality. So that these vector borne diseases can be controlled and our environment remains clean and healthy.

Modern School, Vaishali continuing with the Communicable Disease Control Programme conducted a rally on 'Prevention from Communicable Diseases' on 15th July 2019. The main idea of the rally was to create awareness about hygiene and sanitation issues among the neighbourhood. Students of class VI to VIII enthusiastically took part in it. The students received a lot of appreciation and encouragement from the onlookers.

An antakshari competition for classes III to V and a painting competition for classes IX and XI as the next step of the one month long activity Communicable Diseases Control Programme on 17th July 2019 to sensitize the students about the importance of cleanliness in neighborhood and surroundings to prevent these vector borne diseases. All the students enthusiastic took part in it.
